

<Request for your donation for the Grace House ministry>

Thank you for thinking to support Grace House ministry

We have not asked for donation so far from starting this ministry because GH ministry stands on the base of BAM (business as mission). As we have been offered by some of our supporters who themselves may have been affected by COVID-19 too to make donations for our ministry, we would like to extend this possibility widely to more people by providing the necessary information as below.

We are sorry to do this way by knowing everyone is similarly in a hard situation. Your donations will be highly appreciated.

<your remittance to>

※After your remittance please send your message to : [info@grace-house.com](mailto:info@grace-house.com) by providing us with a name to whom our receipt is to be addressed.
